

A globally competitive and prosperous nation with a high quality of life by 2030

Political

Political and issue-based, people-centered, results-oriented and accountable democratic political system

Strategic Result 1. Transformational Governance: By 2030: A state of **good governance** anchored in the **Rule of Law** that guarantees human rights and equitable access to justice, underpinned by a **democratic culture** that is open, participatory, effective, inclusive, credible and transparent, with **Institutions and Systems** that are fully devolved, responsive, accountable and results oriented.

Outcome 1.1: Policy & Institutional Framework. By 2016, the constitutionally mandated policy and institutional framework is fully operationalized; **National laws** meet international standards, particularly with regard to the protection of human rights; The **Judiciary and justice systems** are responsive, effective accessible and independent; and the **law enforcement system** is reformed, people-oriented and anchored on integrity.

Outcome 1.2: Democratic Participation & Human Rights By 2017: A democracy in which **human rights and gender equality** are respected; **elected officials** are responsive and accountable; **citizens and civil society** are empowered, responsible and politically/socially engaged; **equitable representation** is achieved through affirmative action; and the **electoral processes** are free, fair, transparent and peaceful.

Outcome 1.3: Devolution & Accountability By 2017: A participatory **devolution process** that is well understood by stakeholders, adequately coordinated and equitably resourced for the delivery of accessible and quality services; **Devolved institutions** are legally and technically empowered, well managed, effective, accountable; **resource management** is transparent, equitable effective and efficient at all levels.

Outcome 1.4: Evidence & Rights-Based Decision Making. By 2018, development planning and decision making are evidence and rights based, supported by a well-established and strong **research, monitoring and evaluation culture**, that guarantees the independence, credibility, timeliness and disaggregation of data, broadly **accessible** to the intended audience.

Social

A social and cohesive society enjoying equitable social development in a clean and secure environment

Strategic Result 2 Human Capital: By 2030, **Kenya's development** is led and driven by a healthy, highly skilled, innovative, resourceful, and motivated **human capital**, in an empowered, resilient and inclusive **society** that is reconciled, peaceful, cohesive, gender responsive, and with integrity

Outcome 2.1: Education & Learning. By 2018,; An **education sector** that equips citizen with knowledge and technical skills, which are relevant and responsive to job market demand and emerging national development needs; an **education system** that is adequately resourced, effective, efficient, devolved and inclusive, ; and an **education governance and financial management system** which is evidence based, transparent, efficient, human rights, gender responsive and participatory.

Outcome 2.2: WASH-Environmental Preservation/ Food Availability- Nutrition/Health. By 2018, **morbidity and mortality** in Kenya are substantially reduced, with improved maternal, neonatal and child survival, reduced malnutrition & incidence of major endemic diseases (malaria, tuberculosis) and stabilized population growth; underpinned by a universally accessible, quality and responsive **health system** ..

Outcome 2.3: Multi-sectoral HIV & AIDS response. By 2018, Kenya has reduced **socio-economic impact** of HIV and **societal vulnerability** to HIV that is realized by a well coordinated, effective, efficient and adequately resourced multi-sectorial response

Outcome 2.4: Social Protection. By 2016, **Social Protection policy and strategies** ensure government's effective leadership role, sustainability of achievements, and promotion of innovation and learning; and the **Social protection systems** are adequately resourced, devolved, well coordinated, effective, efficient and sustainable;

Economic

A sustained economic growth of 10% p.a. over the next 25 years

Strategic Result 3 Inclusive & Sustainable Economic Growth: By 2030: An industrialized middle income country with a modern, inclusive, diversified and 24-hour economy: **growth** is inclusive and achieves sustainable development; **trade** is modernized, balanced, competitive, and regionally-integrated; and **employment** matches the demand, is stable, private sector- and SME-driven, decent, equitably accessible particularly to youth, women & vulnerable groups, and human rights compliant.

Outcome 3.1: Productive & Business environment. By 2015: Kenyan's productive & business environments are reformed to effectively nurture local capacities, attract internal and external investments and promote ownership, innovation and entrepreneurship.

Outcome 3.2: Productive sectors and Trade, By 2018: Productive sectors (agriculture, manufacturing, extractive industry), trade and their value-chains are private and SME-driven, sustainable, diversified, **technologically** innovative, commercially oriented and competitive on national, regional and global markets

Outcome 3.3: Job Creation, Skills Development and Working Conditions. By 2018, formal and informal sectors, in urban and rural economies, create employment that is safe, healthy, secure, productive, gainful and that is equitably accessible for women, youth and vulnerable groups; workers have adequate skills to match market demand

Strategic Result 4. Environmental Sustainability, Land Management & Human Security. By 2030, Kenya is prosperous, underpinned by efficient management of natural resources and equitable access of Kenyans to development assets, including land and other renewable resources, and achievement and sustainability of national cohesion and resilience that guarantees long term peace and prosperity;

Outcome 4.1: Policy & Legal Frameworks. By 2016, Kenya has robust policies and legal frameworks linking issues of environmental sustainability, climate change and land management to human security and resilience therefore requiring an integrated and coordinated response at all phases

Outcome 4.2: Community Security & Resilience. By 2018, counties and communities are able to anticipate, prevent and respond effectively to disasters and emergencies
