**PROFILE**

“When I gave birth to my third child, I started bleeding. When I went to hospital I was told I have fistula, a complication due to fgm. My neighbors say that I was not cut properly. I have two young daughters and I will not have them cut as I don't want them to go through what I am going through.”

Susan Kapkarich  
FGM Survivor

**Registration Centers**

The IEBC has 24,559 registration centres across the 290 constituencies. These registration centres become polling centres during elections. Continuous voter registration is going on at constituency offices. It will be rolled out to Wards and registration centres once funds are available to carry out the exercise. It should be noted that the on-going registration of voters in an incremental exercise. .. more
